

National Air Compliance Training Program

NACT 246

Aggregate, Hot Mix Asphalt, & Concrete Batching Operations

Tentative Agenda

Day 1

Aggregate Plants

09:00	Introduction
09:15	History
10:00	Break
10:05	Health Effects
10:30	Industry Overview
11:00	Break
11:05	Process Equipment
12:00	Lunch
01:00	Emission Control Methods
02:00	Break
02:05	Inspection Techniques

Concrete Batch Plants

02:30	History
03:00	Break
03:05	Concrete Process
03:30	Inspection Procedures
04:00	Adjourn

National Air Compliance Training Program

NACT 246

Aggregate, Hot Mix Asphalt, & Concrete Batching Operations

Tentative Agenda

Day 2

09:00 Engineering Evaluation

10:00 Break

Hot Mix Asphalt Plants

10:05 Emissions and Health Effects

11:00 Break

11:05 Process

12:00 Lunch

01:00 Emission Control Methods

02:00 Break

02:05 Inspection procedures

03:00 Adjourn
